

Appreciation Course on Population and Sustainable Development

Course Code: ACPSD

Assignments (Jan 2025)

Dear Learners,

Assignment is an important component of your study. The assignments have to be submitted to the Programme Co-coordinator as per the date mentioned in the assignment.

Guidelines for writing assignment

Write your enrolment number, name and full address at the top right side corner of the first page of your assignment response(s). Write the course title, assignment number and the date of submission in capital letters in the centre at the top of the first page of your response(s). Your answer should be pin pointed and well documented. Do not copy from the study material. Answers should be handwritten in around 500-700 words. The scanned copy of the assignments has to be submitted electronically at acpsd@ignou.ac.in. The last date is 31 March 2025.

The top of the first page of the assignment should mention the following:
Course Title:

.....
Enrolment Number:

Name:

Regional Centre:

Date of Submission.....

Address.....

Note: Attempt all the questions. Each question carries equal marks. Last date of submitting the assignments is 31 March 2025.

Q. 1 Describe fertility, mortality and migration and explain why these concepts are basic to understand demography.

Q. 2 Any development programme adopted by a country is considered sustainable if it is economically, socially and environmentally sustainable. Do you agree with the above statement? Comment giving suitable examples.

Q 3 Critically examine the causes responsible for malnutrition and undernutrition in children.

Q 4 Write a note on Population Structures. Explain in detail.
