IMPORTANT ASSIGNMENTS 1-3

Programme: DAPMER

Dear Learners,

You will have to do three assignments as part of Diploma in Apparel Merchandising. **DOING ALL THREE ASSIGNMENTS IS COMPULSORY.** Each assignment has three parts – Long Answer Questions, Medium Answer Questions and Short Answer Questions. Each assignment carries 100 marks - 30 marks for Long Answer Question; 40 marks for Medium Answer Questions; and 30 marks for Short Answer Questions.

Objectives

The assignments are part of your evaluation and the marks will be carried in your grade sheets (refer to Section 7 on Evaluation in your Programme Guide). Another objective of the assignments is to assess how well you have understood the concepts explained in the various Blocks of every Course. This is assessed through the questions given in the assignments. Since the Diploma Programme aims to impart to you the requisite knowledge, understanding and skills, the purpose of the assignments is also to test how far you can apply the concepts to Apparel merchandising. Hence you are free to use as many examples and illustrations in your answers.

It is advised that answers should not be copied directly from the Self Learning Material (printed content) that has been given to you.
