

Indira Gandhi National Open University

School of Education

Organizes

ONE-DAY WORKSHOP

AI in Research: Tools, Trends, and Techniques

Date & Time: 27/01/26 (Tuesday), 10.00 a.m. - 5.00 p.m.

Venue: Conference Hall, Centre for Online Education, IGNOU

Patron

Prof. Amitav Mishra
Director, SOE, IGNOU

Chief Patron

Prof. Uma Kanjilal
Hon'ble Vice-Chancellor, IGNOU

Coordinator

Dr. Ajith Kumar C
School of Education, IGNOU

About the Workshop

This workshop focuses on the practical use of Artificial Intelligence (AI) in research. It will help participants understand how AI tools can support research activities including literature review, data analysis, visualization, and academic writing, while also addressing ethical concerns.

Workshop Themes

AI: Meaning, Ethics, and Limitations
AI Tools for Literature Review
AI for Data Analysis and Visualization
AI in Academic Writing

Target Participants

Faculty Members, Research Supervisors, Researchers and Research Scholars

Registration & Fee

There is no registration fee. Interested participants can register by filling out the Google Form using the link provided:

<https://forms.gle/8knrdqDaLVcoyeEn8>

Participation is limited to 30 participants. The decision of the organizers in the matter of selection of participants shall be final. The last date for registration is 16/01/26.

Certification

Certificates will be awarded to participants who attend all sessions.
