MALAVIYA MISSION TEACHER TRAINING PROGRAMME

ज्ञान-विज्ञान विमुक्तये

12-days Refresher Programme (Residential) *on*

Libraries 5.0: User - Centered, Innovative and Intelligent Information Services

16th to 29th September, 2026

Objectives of the Programme:

- To understand the Libraries 5.0 paradigm and human-centered library services.
- To enhance skills in Artificial Intelligence and Data Analytics for library and information services.
- To strengthen competencies in user-centric library service design.
- To examine Open Access, Open Science, and Research Data Management practices.
- To promote the adoption of smart library technologies and automation tools.
- To encourage innovation, leadership, and change management in libraries.
- To align library services with NEP 2020 and Sustainable Development Goals (SDGs).
- To foster research, professional development, collaboration, and networking among LIS professionals
